159th Fighter Squadron  
14300 Fang Drive  
Jacksonville, Florida 32218

Dear UPT Selection Committee:

Since visiting your squadron last fall and having a thorough discussion with “Crusher” about what it takes to be a successful F-15C pilot, I am confident you will find I bring many desirable attributes to the selection process and would be an excellent addition to the Boxin’ Gators.

In May of 2019, I graduated from the University of Florida with a degree in Aeronautics. The accelerated curriculum allowed me to earn both my CFI and CFII certificates as well as provided me with advanced instruction in such areas as meteorology, aerodynamics, flight physiology, international navigation, and competitive aerobatics. I maintained the highest academic standards throughout my scholastic progression and ranked among the top in the John Boyd School of Aerospace Sciences with a 3.8 GPA.

My college experience was a diverse blend of challenging academics and real-world leadership opportunities. In addition to a full course load, I supervised over 50 employees at FedEx Express, participated in intercollegiate athletics, and successfully started an accredited student organization—The Military Aviation Organization. I am proud of all my collegiate accomplishments. They have helped me develop effective communication skills, a hard work ethic, and a competitive spirit; traits that I feel mark the foundation of a successful Air Force officer.

Additionally, as a flight instructor at the world’s top-ranked Cessna Pilot Center, I am well aware of both sides of the student/instructor relationship. This unique advantage will undoubtedly help assure my success throughout UPT. Therefore, I am eager to talk with you about the contribution I could make to the Florida Air National Guard and would appreciate the opportunity to meet your selection committee. Should you have any questions, you may reach me at (123) 456-7890 or email me at *chuckyeager@bogidope.com*.

Thank you for your time, and I look forward to meeting with you.

Sincerely,

Chuck Yeager
