CY2025 OKLAHOMA AIR NATIONAL GUARD UTA SCHEDULE

Under the provisions of USC Title 32, section 502, subsection (b) and Title 37, section 206, subsection (e), and ANGI 36-2001, Chapter 3, dated 30 APR 19, all members of the Oklahoma Air National Guard are hereby ordered to attend all Regularly Scheduled Drill (RSD) at their assigned facilities as shown on this training schedule unless attending a Split-Regularly Scheduled Drill (SRSD), or Rescheduled Drill (RD). An SRSD occurs when the manpower resources of an ANG unit, as decided by the Wing Commander or equivalent, are divided and organizations perform training on different weekends. Commanders of units are authorized SRSD's to maximize flying training or to achieve other mission goals that cannot be attained on only one training weekend per month. An RD period is available to Commanders to achieve training objectives using maximum available equipment and full-time personnel resources. Commanders are responsible for mission readiness, and therefore maintain the authority for decisions to reschedule an RD period for members. An RD period will not be performed outside of the fiscal year of a missed RSD or SRSD. Flex Drill dates may be moved to another date, as determined by the Wing Commander or equivalent, to accommodate Super Drills or when it is in the best interest of the Oklahoma Air National Guard. Wing Commanders may authorize their members the opportunity to make up missed RSDs when returning to state control from either Title 10 or Title 32 active-duty orders, or members who have been attending formal schools in either Title. Reporting times will be established by each Unit.

*SD = Super Drill & *FD = Flex-Drill & *SSD = Split Super Drill
